Step1: Tap "pencil symbol" button on top right corner

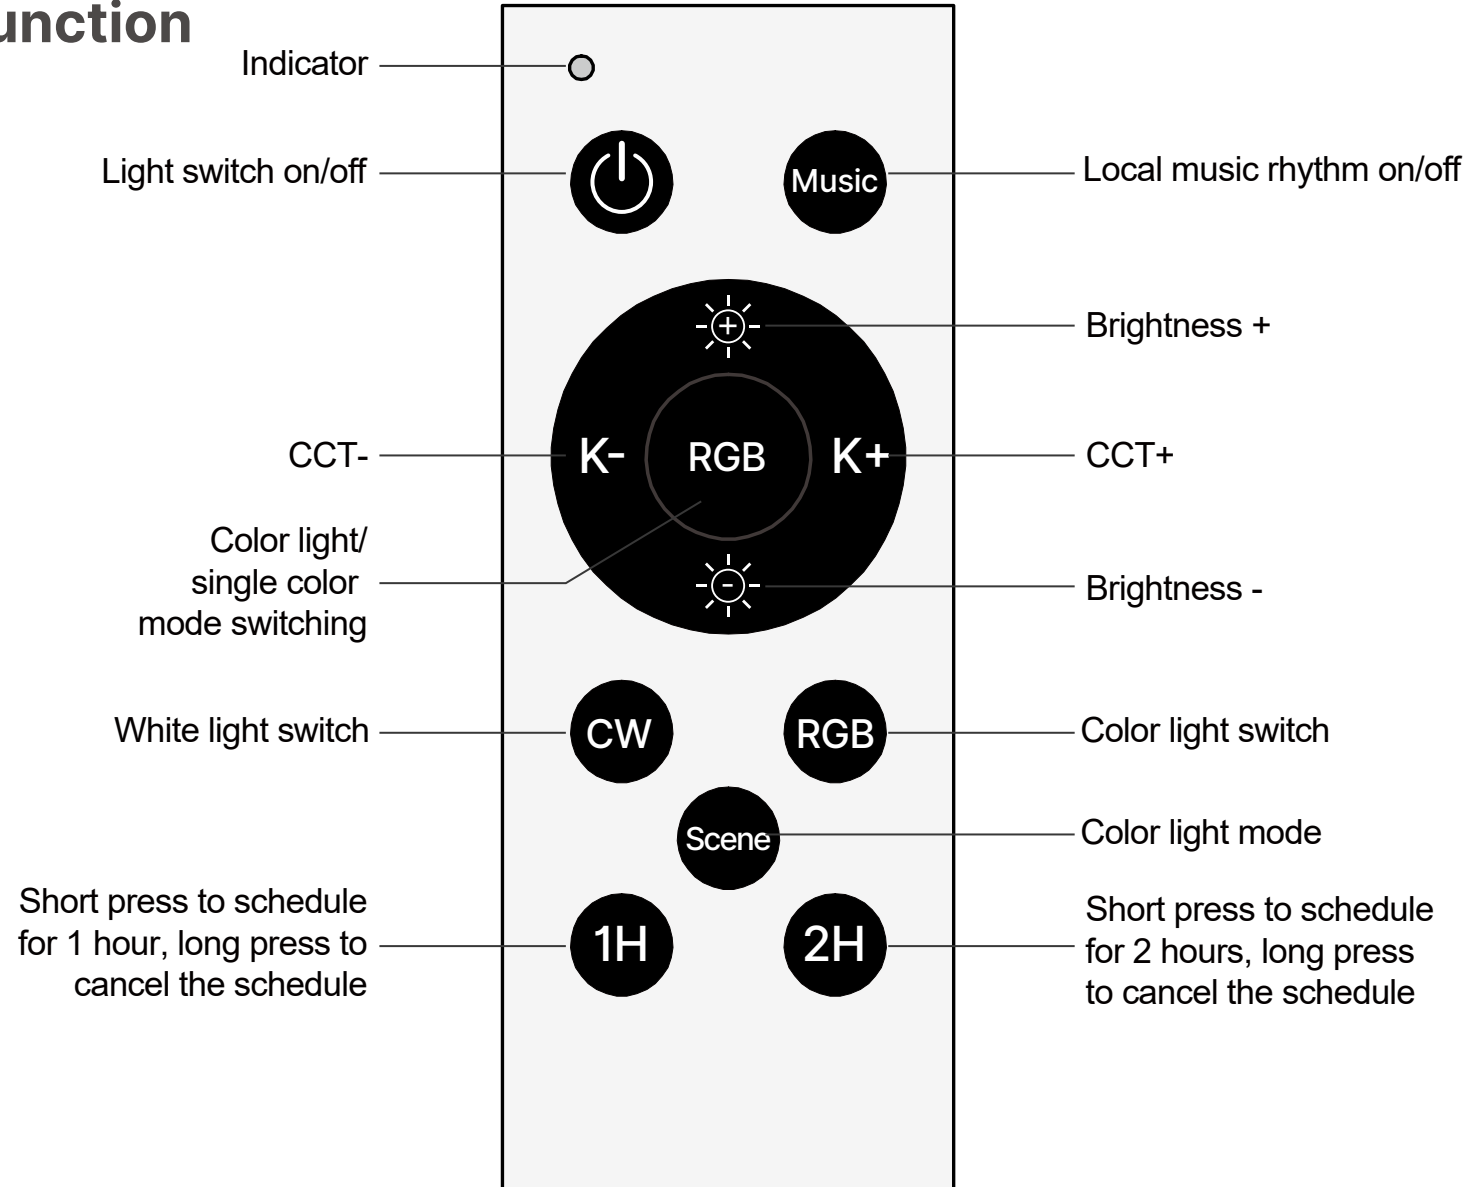

Step2: Select corresponding third-party voice services

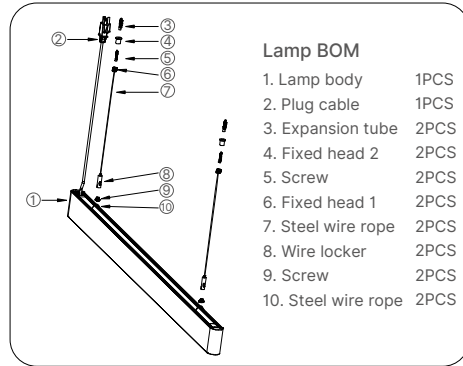

How to control multiple lamps through APP?

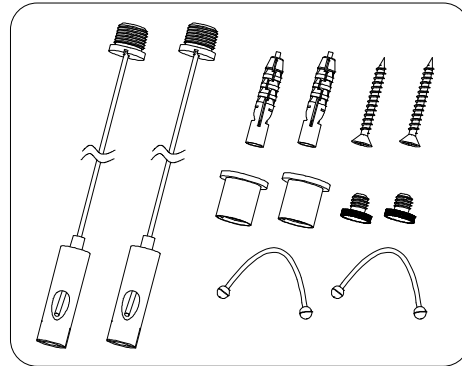

Remote Button function

Installation

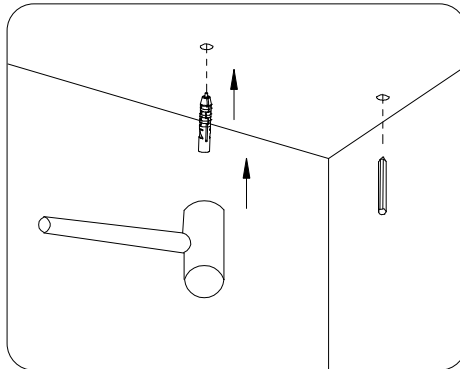

Exploded drawing of suspension installation

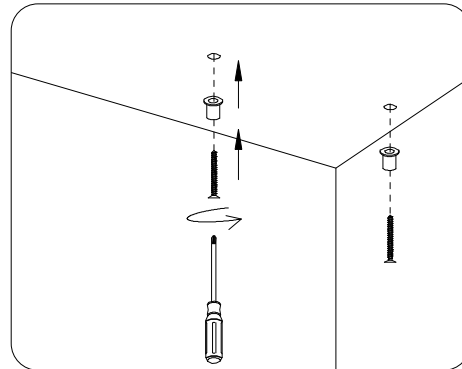

Suspension installation accessories drawing

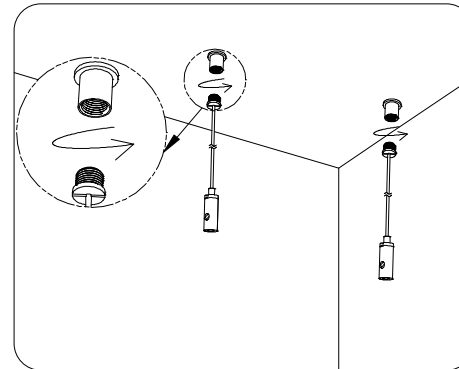

Installation steps:

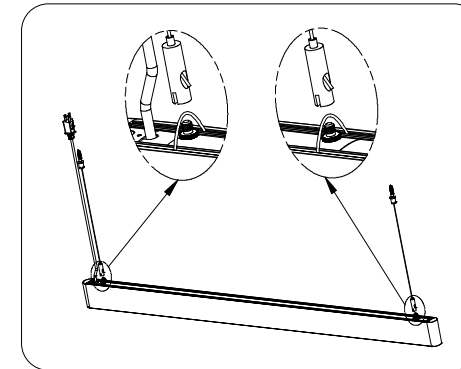

1. Plan the distance between the installation holes first, then drill 2 $\Phi 3.0\text{mm}$ and 1 $\Phi 7.0\text{mm}$ holes in the cement ceiling, and knock the rubber plug into the 2 $\Phi 3.0\text{MM}$ holes with a hammer.

2. Thread the screw through the fixed head 2 and use a Phillips screwdriver to lock the fixed head 2 in the rubber plug.

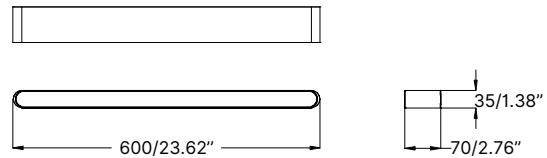

3. Rotate and tighten the assembled lamp with fixed head 1 and fixed head 2.

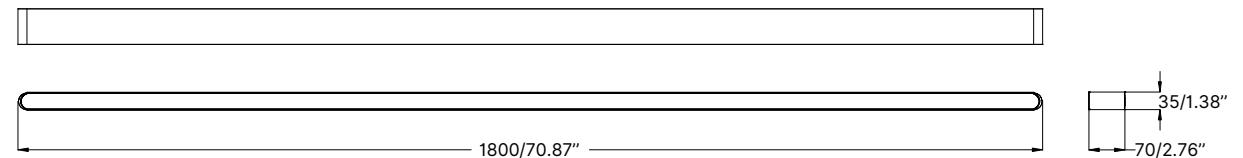

4. Install the steel wire rope on the lamp to the wire locker, and then twist the screws, and finally plug in the plug cable, the installation is complete.
